

Daily Journal Essay outline

The goal of the public journal short term is to create a longer form essay or argument about the correlation of BIWF and BEIC. I will start by creating an outline and then filling in the details. I have to choose the scope of the project. I do not want to be too ambitious on the attempt to create. I know which arguments I want to make and this is the purpose of the "rude and crude" audio logs to document the basic arguments.

Arguments and Timeline sequence notes:

- 1a. Rothschild niggers seized power with the nationalization of the BEIC.
- 2a. Prince Albert's untimely death is what led to Queen Victoria being crowned.
- 3a. Queen Victoria had a drug problem and the BEIC was her supplier.
- 4a. She was manipulated into bailing the BEIC out of the india revolts because of her addiction.
- 5a. After the nationalization of the BEIC her drug dealers became the British Empire with the leverage over one person.
 - 6a. Benjamin Disraeli is related to the Rothschilds and was 2 time prime minister.
 - 7a. Wiki source has Queen Victoria crying at Disraeli's funeral
 - 8a. Rothchild collusion appears again in a big way with the decision to team up with Russia during World War 2.
 - 9a. End of war world 2 treaty signed at Rothschild palace
 - 10a. BIWF was used like the proud boys for Benjamin Disraeli's political campaigns
 - 11a. BIWF converts to CI in america in 1920 as the result of BIWF world conference in England hosted by Princess Alice (top intelligence officer)
 - 12a. 1832 trail of tears. The Choctaw tribe sends money to Ireland and later during the civil war fights against anglo establishment on the side of the confederacy.
 - 13a. BEIC caused excessive taxes on the American Colonist business class, which caused the American revolution.
 - 14a. BEIC is associated with privateers. British empire assets. Drug dealers. Sassoon family. Possible association with the Sachler family. Same tribe, same trade.
 - 15a. Queen Victoria's diaries were burned after her death. She had two notable sex scandals. So there were many cover ups of sexual escapades. Her diary detailed them.
 - 16a. Queen Victoria was sexually irresponsible as head of an Empire. This causes foreign leverage and treason to the people. Enslavement.
 - 17a. BIWF is angloism and they did not like Germanics
 - 18a. CI was utilized by the British empire to entrap people pre WW2. William Dudley Pelley and the silver shirts story. Makes perfect since if you know the history of BIWF's anti Germanic stances.

Things i need to flesh out and detail:

- 1b. Dates of When Queen Victoria's Crowning.

- 2b. Details on Prince Albert's Death
- 3b. More Connections to Rothschilds and BEIC. Disraeli connection.
- 4b. Better connections to BIWF and disraeli or one of his campaign associates
- 5b. Clues to average members occupation in BIWF disraeli era. If it was navy men or private seamen or doc workers they would be directly influenced by BEIC.
